No - I'm not available Wednesday except before 10:00am or after 2pm - I could also do either Thursday or Friday before 2:30

Hi Jim, the best window for me would be Wednesday between 11:00 and 12:30, but I can also open windows on Thursday or Friday before 2:30.

Bob

Bob and Chip:

We talked about getting together in-person this week to informally discuss EPA's pending Draft FS comments and some options for moving the project forward. Aside from Wednesday morning I am pretty open. What days/times work for the two of you? Thanks, Jim.
